The New Zealand Qualifications Authority Secondary Schools Scholarship Examination

This examination has been provided for all New Zealand Secondary Schools and entry is open to all students. The examinations started in 2005. It has been designed to test the abilities of top academic students and examinations are set in a wide variety of subjects.

Students who are in the top 4% of candidates are able to gain a single subject Scholarship which is worth NZ\$500.00 or 2,500 RMB. There are other awards for top performance in more than one subject.

The elite award is Premier Scholarship and a minimum of four Outstanding single subject Scholarships (ie marks in the high 90s) are required to gain this prestigious prize worth NZ\$30,000 or 150,000 RMB over three years of university study.

The Premier Scholarship is confined to the top 5-10 students in the examination every year.
